B-KERJA.COM FOUNDER SHARES HIS ONLINE BUSINESS PLATFORM

Associates from all the three DevCos: NexUs (TelBru), DST DevCo and Evolve.Me (Progresif) attended an Online Business Platform presentation by B-Kerja.com founder, Hakeem Teo Abdullah @ Teo Chee Heng on Friday, 17th July 2020 at Nex.U.s HQ. Hakeem said his seller and buyer community platform aspires to support #Wawasan2035 and becomes a locally trusted marketplace where creative Bruneians can offer their services to the public.

B-Kerja.com recently conducted an online survey which revealed that a lot of people are looking for all kind of services. He said his community of freelancer/self-employed and registered Bruneian companies comprising 75% and 5% respectively have been able to fulfil the demands and deliver quality services to their customers.

CV WRITING COURSE FOR ASSOCIATES

More associates are being trained on how to write their CVs and on 16th July 2020, the third batch attended the course which was facilitated by Suliana binti Haji Abas, our HR Manpower Coordinator.

The course focuses on helping and equipping associates with knowledge and skill on creating their individual portfolio and profile their background, skills, abilities and achievements. A Curriculum Vitae is usually required when applying for jobs. In addition, employers also require a cover letter and a completed application form.
