THE START-UP BOOTCAMP GETS INTO FULL SWING

Associates who have chosen business development and entrepreneurship tracks are currently undergoing a 12-week start-up bootcamp starting on 14 August which is conducted by Global Equator Consulting Company from Singapore. The programme fully endorsed by Darussalam Assets involves associates from all the three DevCos who are split into two groups: the digital/technopreneurs and the micro business.

The bigger group comprising micro business participants

MENG-GAME CONTINUES TO EXCITE THE GAMERS

More online gaming activities are being introduced by the Emerging Business Unit in its effort to promote e-sports among Bruneians. The different games played on Fridays are using different platforms each week.

It also gives the associates the chance to unwind and enjoy the activity which is held at the foyer area. Meng-Game started off about two weeks ago with Tekken7, then Team Sonic Racing and now, FIFA20 Friendlies this Friday.

UNDERSTANDING DARE's CO-MATCHING GRANT SCHEME

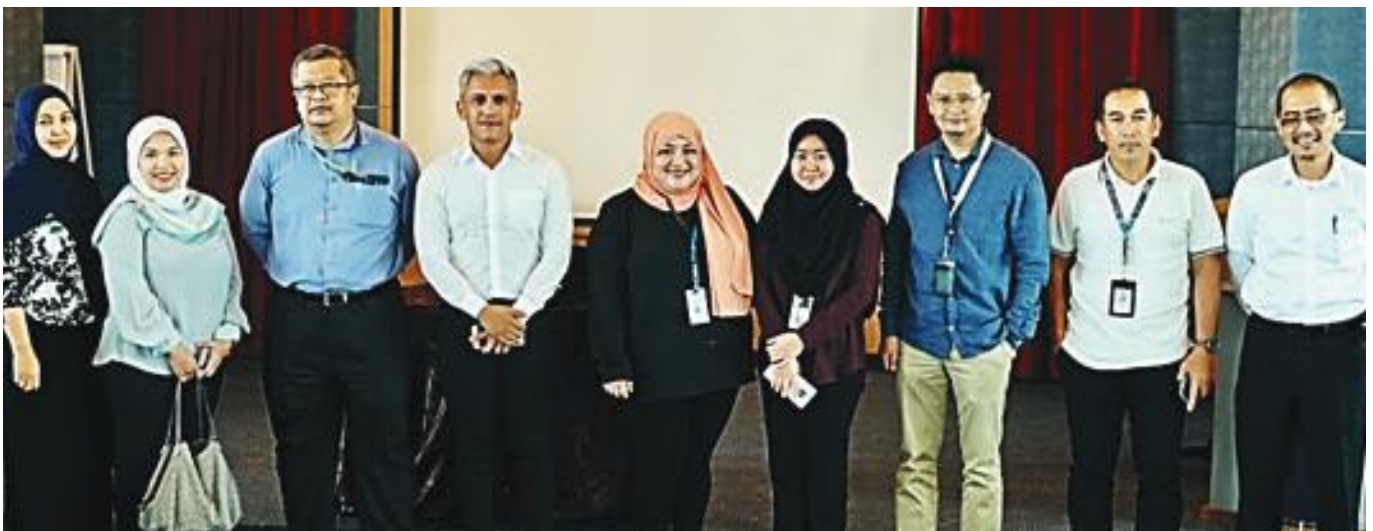

To understand more about Darussalam Enterprise's co-matching grant scheme, about 80 associates from Nexus, DST DevCo and Evolve.Me attended a talk on Wednesday, 18th August at the Theatre Hall, DST HQ in Tungku. The co-matching grant is an initiative introduced by DARE aimed at providing funds to new businesses or existing ones planning to expand. The co-matching grant is given on a 30/70 percent basis, amounting to \$10,000 for new business and \$20,000 for business expansion. The talk, delivered by DARE Executive Officers was initiated by DST DevCo as part of the Training and Industry Partnership activities for associates who have chosen the entrepreneurship track.
