## NEXGERAI JOINS 'SAPOTLOKAL' BAZAAR

*The team members manning the NexGerai booth*

Nexus F&B team, NexGerai made a public appearance again last weekend by participating in the Sapotlokal (Support Local) bazaar at the Yayasan Shopping Complex in Bandar Seri Begawan. Apart from its own in-house enterprising associates selling local delicacies, the team also invited external vendors to increase variety to the food and beverages on offer at NexGerai stalls.

## FOOD TRUCK IN THE FUTURE?

As part of its business expansion plan, NexGerai is exploring the potential of operating a food truck in the future. To understand more about the food truck business which is now a familiar sight in Brunei, NexGerai invited Pg Zamri bin Pg Hj Bujang, Founder of Hi-Tune Project who has vast experience in managing and operating the food truck business in Brunei and Malaysia.

## NEXUSTECH AIMS FOR MORE PROJECTS

*NexusTech technicians working at a housing site*

With vast technical skills and expertise, NexusTech is aiming to take on more projects. Comprising 30 associates, many of whom with years of technical experience, NexusTech has been awarded a contract to do Home Connect for UNN. The team is beefing up its management, manpower and technical capabilities to prepare for more challenging tasks ahead including the provision of multiple services to the general public.

*The technical and support staff work hand in hand to ensure projects run smoothly*
