

MENTERI SUMBER-SUMBER UTAMA DAN PELANCONGAN LAWAT TAPAK LADANG CILI DI TUNGKU *MPRT MINISTER VISITS CHILI FARM PROJECT SITE AT TUNGKU*

Projek ladang cili yang melibatkan 20 rakan sekerja dari Nexus, Datastream Technology dan Evolve Me mendapat perhatian dari Menteri Sumber-Sumber Utama dan Pelancongan pada hari Rabu, 16 Jun 2021. Yang Berhormat Dato Seri Setia Awang Haji Ali Bin Apong dan rombongan yang terdiri daripada Timbalan Setiausaha Tetap dan pegawai-pegawai dari Jabatan Pertanian dan Agrimakanan melawat tapak projek tersebut di Taman Agrotek, Tungku. Hadir bagi menerima kunjungan tersebut ialah Pengurus Lembaga PDC, Tuan Ahmad Jefri Abd Rahman, beberapa ahli lembaga pengarah, pegawai-pegawai DA, Ketua Pegawai Eksekutif dari ketiga-tiga PDC dan pasukan pengurusan

Taklimat mengenai projek oleh pihak pengurusan PDC dan Superfish Growers dikuti dengan lawatan sekitar tapak
The briefing on the project by the management of PDCs and Superfish Growers followed by a tour of the project site

The chili farm project involving 20 associates from Nexus, Datastream Technology and Evolve Me came under the Minister of Primary Resources and Tourism's scrutiny on Wednesday, 16th June 2021. Yang Berhormat Dato Seri Setia Awang Haji Ali Bin Apong and his delegation comprising the ministry's Deputy Permanent Secretary and Department of Agriculture and Agrifood officials visited the project site at the Agrotech Park in Tungku. On hand to receive the minister's entourage were Chairman of the PDCs Board, Tuan Ahmad Jefri Abd Rahman, several board members, DA officials, CEOs of the three PDCs and Superfish Growers management team.

DANIAL OTHMAN DARI NEXUS MEMENANGI PERTANDINGAN LOW CODE

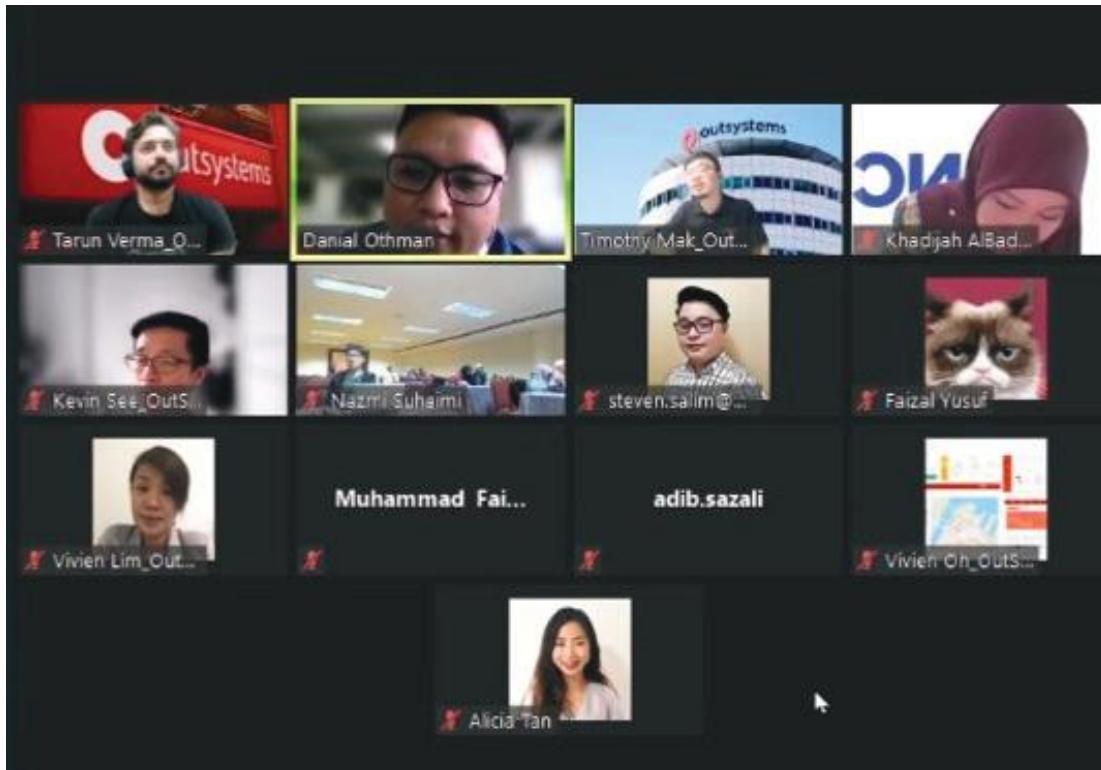

DANIAL OTHMAN FROM NEXUS WINS LOW CODE COMPETITION

Danial Othman dari Nexus telah merangkul hadiah \$300 selepas memenangi Pertandingan Low Code anjuran Dynamik Technologies, yang diadakan pada hari Khamis, 17 Jun 2021 di Pusat Persidangan Antarabangsa. Pertandingan adalah sebahagian daripada Minggu Teknologi Digital yang mengandungi persidangan, bengkel dan aktiviti yang dianjurkan bersama oleh Kementerian Pengangkutan dan Info-Komunikasi (MTIC) dengan kerjasama pelbagai agensi sebagai sebahagian dari Persidangan dan Pameran Pertengahan Tahun Brunei (MYCE 2021). Low Code membantu perusahaan menyampaikan aplikasi yang sesuai untuk inisiatif digital baru yang dihasilkan oleh perubahan pasaran yang mendadak dan keperluan perniagaan baru. Pertandingan terbuka kepada peserta secara fizikal dan maya.

Danial Othman, Innovation Executive from Nexus

Danial Othman from Nexus has bagged a \$300 prize after winning the Low Code Competition organised by Dynamik Technologies, held on Thursday, 17 June 2021 at the International Convention Centre. The competition is part of the Digital Technology Week which features conference, workshop and activities jointly organised by the Ministry of Transport and Info-Communications (MTIC) in collaboration with various agencies under the current Brunei Mid-Year Conference and Exhibition (MYCE 2021). Low-code helps enterprises deliver custom applications for new digital initiatives caused by abrupt market changes and new business needs. The competition is open to both physical and virtual participants.
